Geek of the Week

JOEY KIM. Gets notified that he's doing Poetry the night before the competition, learns the proper way to hold a poetry black book 30 minutes before first round, and goes 3-3-1 in prelims. Now THAT'S talent! He's a poet and he didn't even know it!

Contest of the Week

Samtastic Ide...Sophie "big money" Luo...Rachelicious Raymond... Elissa "the thug" Rabin... Think you got a better nickname for any of the captains? Shoot an email to the captains at nvspeech09@yahoo.com with your own name and idea. Winner will be announced next week! Be school appropriate and decently tasteful!

FORGET-THIS-NOT (OR ELSE!)

*Here's all the info you need to know in order to stay on the Captains' and Carreno's good side! Do not take these lightly. If you forget we will send Sam...no wait...we need someone scary... Sophie ...no wait...hmm. We don't have any scary captains this year. So **I'LL** come to your house at 5 am to wake you up. You don't want to see me mad that early in the morning.*

1. Bring your **critique sheets** to your rehearsals this week and every week. Some have learned the hard way that **YOU WILL** be turned away from rehearsals. Miss two, and you're off the team. Please be responsible!
2. Get those **health forms/field trip forms** in! As well, **80 dollars made out to NVHS** for activity fee is due. **Anyone who hasn't turned in their health forms by Saturday not will be competing this week!**
3. **JV'ers** — You're competing next week, so get ready! Practice, practice, practice. **Check the website for updated rehearsal times and coach assignments- don't assume it'll be the same as last week! Make sure the times that you sign up for are not already taken!**
